WHAT WE LOOK AFTER

- **TRACTORS & FARM MACHINERY**
  Tractor, implement, loader and farm vehicle tyres. On-farm fitting is standard.
- **TRUCKS, BUSES & LIGHT TRUCKS**
  Steer, drive and trailer tyres matched to your loads and roads. Truck wheel balancing in our workshop.
- **OFF THE ROAD (OTR)**
  Loaders, diggers, graders and other earthmoving and quarry machinery.
- **FORKLIFT & INDUSTRIAL**
  Tyres for forklifts and equipment in packhouses, yards and depots.
- **RETREADS**
  More life from good casings. We'll tell you honestly which are worth doing.
- **FLEET ACCOUNTS**
  One point of contact for the tyres on your farm, orchard or fleet. Call us and we'll talk through what you run.
- **CARS, UTES, 4WDS & EVS**
  Everyday tyres, TPMS specialists, and wheel alignment for cars, utes, 4WDs and EVs (not trucks or buses).
